B04-BLAIN

I didn't even turn around to watch the ball. There was no need. I knew it was gone. I had lost the game, screwing the proverbial pooch by giving up a grand slam. The visiting dugout went nuts...

Screwball

The heat was on in more ways than one.

It was a scorching 98 degrees in the shade. And I wasn't in the shade. I was sweating bullets on the pitcher's mound, trying my best to get us out of a jam which I had created.

We were up by one in the bottom of the ninth, but the visiting Crawford Crackerjacks refused to go down without a fight. They had loaded the bases with two singles and a walk; this after the first two batters had grounded out.

The heat was bad, of course, but it paled in comparison to the pressure I was feeling. If I choked today—well, that would be the end of my tenure with the Jackson Jackals. The manager had made this painfully clear prior to today's game. "You're a relief pitcher," Coach Creekmore had told me in the locker room. "It's your job to get us out of jams, not create new ones."

Standing on the mound, my face slick with perspiration, my heart pounding crazily, I nodded in agreement with my catcher's signal—curve—and steeled myself for the most important pitch of my career. The count was full . . .

"Here goes nothing," I muttered.

Everything seemed to be in slow motion: my windup,

the ball leaving my hand, the batter taking a mighty cut. CRACK!!!!

Things sped up with shocking suddenness. I didn't even turn around to watch the ball. There was no need. I knew it was gone. I had lost the game, screwing the proverbial pooch by giving up a grand slam. The visiting dugout went nuts; players stormed the field to congratulate their triumphant teammate as he crossed the plate.

The home crowd booed and jeered, the unruliest of the disappointed spectators tossing trash onto the field. I hung my head in shame and walked off the diamond. For the last time? Probably, I thought. My manager was a straight shooter. He had warned me. And I had failed to deliver.

I took an extra-long shower, delaying the inevitable. By the time I finished the locker room was empty. Eager to put the disappointing loss behind them, my teammates had gotten the hell out of there. Or did their hasty exit have something to do with me? Perhaps they didn't want to stick around, I reasoned, while the manager canned my sorry ass.

Towel wrapped around my waist, I padded to my locker and combed my wet hair. I was about to get dressed when I heard the squeak of sneakers. Next thing

I knew, the manager's eighteen-year-old daughter, Alice Creekmore, entered the locker room.

"Oh." Alice froze like a deer in headlights. "Sorry—I was looking for my dad . . ."

"Try his office," I told her.

"I did. He's not there."

That could mean only one thing. He was in the owner's office having a powwow with the head honcho; no doubt the two of them were discussing my fate. I related

harder when she took off her T-shirt, liberating a mouth-watering set of tits. I responded by letting my towel drop to the floor.

Alice straddled the bench in front of my locker and sat down. I stood over her, offering my prick for her lewdly grinning mouth. Alice gave good head, especially for a teen. She sucked my rod like a popsicle, gliding her luscious lips to and fro, ballbag to glans, with increasing urgency.

this to Alice and wished her the best of luck with college in the fall.

"You really think they're going to fire you?"

"I'm positive," I told her.

She looked genuinely disappointed. "Well, I enjoyed watching you pitch this summer."

"You're the only one," I said, chuckling mirthlessly.

I waited for her to leave so that I could remove the towel and get dressed, waited and waited some more. She just stood there, eyeing me curiously.

"Do you mind, Alice?" I finally said, gesturing to my civvies laid out on the bench.

"Don't mind me. It's nothing I haven't seen before."

I believed her. Alice was an eighteen-year-old hottie, a slender brunette whose summertime attire—skimpy Daisy Dukes and a tight-fitting Jackson Jackals crop top—left little to the imagination. She certainly didn't dress like a virgin. Hell, she dressed like a slut!

I tried not to ogle her, tried and failed.

"See something you like?" she inquired sassily.

I decided to play along. "Maybe."

"You want to fuck me. I can tell by the big bulge in your towel . . ."

She was right. On both counts. I did want to fuck her, and my dick was harder than granite. Alice made it even

I reached down and squeezed a tit, tugging on one nipple, then the other. This had the desired effect. She moaned around my member, her nostrils flaring, and proceeded to blow me with a frenzied pumping motion. I went with it until I didn't, until I grabbed her head with both hands, holding it still as I thrust my hips. Fucking Alice's face was the most fun I had had in years. I plunged my prick into her piehole, again and again, keeping on until she gagged, at which point I withdrew to grant her a breather. Saliva coating her lips and chin, she asked me if I liked to eat pussy.

"Is a bluebird blue?" I replied.

Alice leaned back on the bench. I knelt beside her supine form and helped her out of those skimpy denim cutoffs. Having peeled the shorts from her coltish legs, I shucked a pair of pink cotton panties. Stroking my cock with one hand, I used my other to part her cunt lips.

Then I went down on her . . .

Alice's pussy smelled wonderful, tasted even better. Her cute little shaved kitty was unaccustomed to the ministrations of an experienced tongue, a man's tongue. Guys her age didn't know the first thing about eating pussy. I showed Alice what she had been missing. She cried out when I sucked on her clit, writhing wildly and wrapping her spindly thighs around my head.

I was determined to make her come with my mouth. And surely would have if not for the owner's wife, Carolyn Hoover, barging into the locker room. Alice saw her first, pushing me away and sitting upright. I looked over my shoulder, frowning at our uninvited guest. Mrs. Hoover couldn't have picked a worse time.

"Shit," I said, shaking my head with frustration and annoyance.

As the owner's wife, Mrs. Hoover could go anywhere she damned well pleased. She had her run of the place. But I didn't give a damn. This was my last day, so I gave her a piece of my mind.

"You could've knocked—"

"I came to say goodbye," she cut me off, "and give you a parting gift." She cleared her throat suggestively. "It seems Alice had the same idea . . ."

"Parting gift, huh?"

"Mind if I join the party?" she asked bluntly, already removing her clothes.

I was flummoxed, so much so that I couldn't speak. Alice looked equally shocked. Seeing our reactions, Mrs. Hoover assured us that we had nothing to worry about.

"My husband and your father are having a meeting," she rehashed what Alice had already told me. "Those two love to listen to themselves talk; they'll be occupied for another half-hour, if not longer."

Meeting, I thought with a sense of dread. It seemed only appropriate that I fucked the coach's daughter and the owner's wife while both men plotted my immediate termination.

I looked at Alice. "I'm game if you are."

"I've never been with a woman," she confessed.

"There's a first time for everything," Mrs. Hoover said, unclasping her bra to reveal a stunning set of jugs.

No sooner had the words left her mouth than she produced a strap-on dildo from her handbag. Alice's eyes looked like saucers as she regarded the toy. Leaning against a locker, I stroked my cock slowly while Mrs. Hoover secured the plastic phallus to her waist. Alice resumed her supine position on the bench, raising her knees to open her eighteen-year-old cunt for a good and proper reaming.

The owner's wife couldn't have cared less that it was Alice's first time to be with a woman; she gave no quarter as she mounted the coach's daughter with a forceful plunge. Alice moaned as the faux prick entered her. Her reaction turned me on in a big way, prompting me to stroke my cock faster. Mrs. Hoover's ample ass pumped between Alice's legs, rising and falling as she fucked the nubile teen with a relentless pounding motion.

Moments later, she pulled out and went down on Alice, eschewing the young lady's pussy in favor of a different hole. Breathing raggedly, my hand sliding up and down my shaft, I watched her questing tongue poke and prod Alice's asshole. The eighteen-year-old gasped and moaned, her mouth a gaping O.

The perfect home, I thought, for my cock.

I leaned over her youthful, finally legal face and slid my member into her wide maw. Her lips cinched around my stiff throber, she jerked her head to and fro, sucking me sloppily while Mrs. Hoover continued to eat her ass. Things progressed in this manner until I withdrew and moved around behind the owner's wife. I grabbed her curvy hips with both hands, raising that big plush ass of hers even as she tongued Alice's anus. She set one knee atop the bench to steady herself; this as I hunched over her back and proceeded to bang her juicy box.

Her ass jiggled as I fucked her, our bodies slapping and clapping loudly. Still, she kept her back angled, her head down, her tireless tongue pressed to the teen's pink starfish. Alice hollered; hers was the telltale outburst of someone experiencing a powerful orgasm.

Mrs. Hoover got off next.

Then it was my turn.

I pulled out of her pussy and had her turn around. She sat on the bench as I stood before her, sat there squeezing and kneading her big titties prior to my explosion. I blasted them good, coating her jugs with lots of sticky cum which Alice licked like a gluttonous dog.

Alice and Mrs. Hoover had gotten dressed and made themselves scarce by the time Coach Creekmore showed up to give me the bad news. I took it in stride, wearing a good-natured smile even as I cleaned out my locker.

Getting fired had never been so much fun!

"My bedroom window over looks my neighbors backyard. Anytime I look out the window he's there shirtless. Today was different though. I somehow got the feeling that I was being watched. "After going on a couple dates with Logan, today is the first day we hooked up. From the look of his profile pictures, he seemed pretty nerdy, but being with him was a whole lotta fun. I asked him if he had been with many girls, and he said that those he had been with found his cock too big. Well, after that comment, I'd been anticipating this day for quite some time. A man with short blonde hair, wearing a brown button-down shirt, stands on the left, looking down at a woman. The woman has long dark hair and is wearing a red long-sleeved mesh top and a red and black plaid skirt. She is looking towards the camera. They are standing next to a red car. In the background, there are houses and a white pickup truck.

"I was always getting hit on by photographers - and directors, too. Of course they were always professional, on the set. But, after the shoot, I had my choice of anyone on the set. Those experiences made me realize that I could have sex with people that I had just met and like it. Like Jerry here. I met him at the car dealership and decided to drive him home."

school reunion gangbang

She stepped forward and spun twice, allowing everyone a look at her toned legs, full tits, and voluptuous ass. They whistled and cheered her on, cocks in hand getting harder.

The old high school gymnasium buzzed with chatter as alumni gathered to celebrate their 15-year reunion. Among the crowd was the former head cheerleader, Veronica, and the former quarterback of the football team that reached the state championships, Roy. It came as no surprise to anyone when the two of them slipped away together. People only raised their eyebrows when they noticed the trail of former football players that followed close behind.

Heavy doors to the locker room swung shut behind the last of the football players. What once was the entire football team now stood circling around Veronica. She knelt before Roy, his jeans already undone and his cock several inches down her throat. His length was impressive and well above average, but Veronica wasn't intimidated. She looked excited when he pulled it out. Her head bobbed up and down his thick shaft, quietly being observed by Roy's old teammates. He groaned and tangled his fingers in her hair, pulling her down further onto his shaft.

Around them, the circle of men began to shift and palm their growing erections. One by one, they pulled out their half hard dicks to stroke themselves while they watched. Veronica, feeling the weight of their stares, stood and turned to face them.

Without missing a beat, Roy unzipped her dress and pulled it down. Her underwear followed suit, leaving the head cheerleader naked in front of over a dozen men. She stepped forward and

from the blow. He didn't give her time to recover before he was lining up and sliding inside her. Pussy stretched around his thick dick, Veronica let out a long, drawn out moan. Hands gripping the bench,

spun twice, allowing everyone a look at her toned legs, full tits, and voluptuous ass. They whistled and cheered her on, cocks in hand getting harder.

Roy bent Veronica over the bench in the middle of the room, his hands kneading her ass before delivering a sharp spank across her right cheek. The slap echoed and bounced over concrete walls, emphasizing the rippling of her skin

she took deep breaths to get used to his size.

The men shuffled closer, heavy breaths weighing down the atmosphere. Spurred on, Roy began sliding in and out of the former cheerleader. Dragging his cock along her warm, wet walls and gradually picking up the speed.

Veronica reached out and wrapped her soft fingers around the nearest cock, it belonged to

the previous linebacker. His eyes darted nervously to Roy before he stepped closer. She guided his cock into her mouth and wrapped her lips around it, tongue circling the swollen purple tip. The linebacker groaned, his hips bucking forward to push more of his length into her eager mouth.

Roy spanked her ass again, the

to the man behind her.

"Cum inside me," she demanded, "fill me up!"

Needing no further encouragement, the football player slammed home and gave short, shallow thrusts as he came. Grunting with each pulse, he filled her full of his hot seed. He pulled out and the linebacker stepped in to take his place

the cum she was leaking.

"You look like such a fucking whore," Roy growled. "I'm going to fill this pussy up with so much cum. Gonna pump you fuller than any of these other fuckers could." He punctuated his words with a sharp thrust, Veronica crying out beneath him. She was too far gone in her pleasure to form a coherent

thought. Roy kept pounding her harder, determined to stake his claim.

Only two other men remained, and Roy ordered them to hurry up and cover Veronica in another layer of white. They both stepped closer, stroking their cocks furiously as they aimed the swollen heads at Veronica's face. Their grunts and groans filled the locker room as they brought themselves over the edge.

Several ropes

splattered across Veronica's nose and mouth, dripping down her cheeks and into her hair. She stuck her tongue out trying to get a taste.

Roy never slowed his movements.

He fucked her through their release until his cock pulsed and throbbed with a fresh load for her. Covering her in cum where it mattered most and smiling in satisfaction. Compared to how she'd arrived, Veronica's makeup was smeared, her hair was a wild tangle, and her body was covered in the sperm of over a dozen different men. Everyone's body ached in the best possible way as they all filed out of that room.

sharp sting made Veronica gasp around the thick cock filling her mouth. Pulling out, his cock still rock hard and throbbing, Roy motioned for the next man to take his place. The new man didn't hesitate. Immediately after stepping forward, he dove into Veronica's dripping pussy with a grunt. He set a brutal pace, fucking her hard and fast.

The force of his thrusts pushed Veronica forward and further along the linebacker's shaft without warning. She gagged, tears springing to her eyes as she struggled to hold back her gag reflex and breath. Veronica pulled off the linebacker, gasping for air, and turned

while a new cock slapped against her lips. They cycled through each team member going from her lips to her pussy and leaving her with another load of cum buried deep inside.

After half an hour, she changed position to lay on her back across the bench. Some grew impatient, fisting their cocks and painting Veronica's heaving tits with their sticky cum.

Finally, Roy returned. Driving into Veronica's sloppy cunt, he pushed out the cum of his teammates from her. He couldn't resist thrusting into her as hard as he was physically able. His balls slapped against her ass, getting coated by
